## FAQS

Where can Splash Cash be used?

Splash Cash can be used at any dining location on campus. This includes La Casse Dining Hall, the Dolphin Den, and Kaffe Nuvo!

What happens to any unused meal plan balances?

Splash Cash will carry over from the fall to spring semester. Meal swipes will not carry over from fall to spring. At the end of the spring semester, any remaining Splash Cash or meal swipes are forfeited.

How do I access my Splash Cash?

It's easy! Splash Cash is activated on your student ID card on the first day of classes each semester. Simply swipe your ID card at the register, and the total will be deducted from your card. You can always ask a cashier for your remaining balance to keep track of what you spend.
